May depend on what the tract conditions state, but I wouldn't think so.

Subject: Closing down parts of the trails

Hi Cory
We are starting work on the under ground utilities for the subdivision on Monday 11/18/19. We will be closing some parts of the trails around the driving range when construction is going on. We will have open trenches. We will be installing Construcion fencing in the areas of work. Please let me know if you need anymore information on this work.

Thank you Scott Campbell
